Kitty Party & More!

A new initiative for socio economic development from Indus Discoveries

At the peak of summer holiday season, specialist tour operator Indus Discoveries will be offering a free day trip to Kurukshetra to a Kitty Party. The trip will be offered on first come first served basis. We will take a party of 8 members to an exciting day out packed with expert information on Kurukshetra and a sumptuous lunch.

Indus is working on this new initiative to promote awareness of the rich Heritage and Culture of our country. This initiative will give impetus to KITTY Parties where the members can learn about the history of different regions of our country and indulge in socio economic initiatives from time to time.

Indus is developing a series of new programmes. They will be available on our website soon. The programmes will be designed to suit different age groups. The trips will help explore each destination with an expert guide or a specialist. Refreshments and lunch (local delicacies of the region) will be served.
